## YOU CAN'T BE BEAUTIFUL IF YOUR LIVER DOESN'T WORK

Famous Actress Finds that a Healthy Liver is Necessary to Good Looks and Youthfulness.

One of the best known women of the American stage is writing a series of articles on the preservation of beauty. She attaches great importance to keeping the liver active at all times and she is right. Neither good looks nor happiness will stay long with any man or woman who lets the liver get lazy and sluggish. It is not always safe to take calomel, the old liver remedy. Doctors agree that it is a very uncertain drug. But every druggist has a remedy for sale that is guaranteed to take the place of calomel absolutely and still be harmless, causing no restriction of habit or diet. This remedy is Dodson's Liver Tonic.

Dodson's Liver Tonic is a pleasant tasting vegetable liquid, but it starts the liver gently and surely and relieves constipation and biliousness so promptly that it has become a dependable remedy in thousands of homes in the United States. There are scores of families in this vicinity who will not be without it in the house and who would not think of starting on a trip without a bottle of Dodson's Liver Tonic. So much Dodson's Liver Tonic has been sold in this city that druggists are convinced of its merits and will give any person his 50 cents back who buys a bottle and does not find that it takes the place of calomel to perfection.—Advertisement.

## "Everyone Loves Her"

BUT—did you ever hear a conversation like this?—"Who's going to take care of Grandma this year?" "Jack had her last year, and Mary had her the year before; so I guess it's up to me! She's a dear old lady, but I do wish she had a little income to help out with! The cost of living is so high, etc., etc."

Human nature is very odd, isn't it? Your wife, daughter, sister, will be old some day. You can't help that! But you CAN save her the pain and humiliation of being dependent in her old age—even on her relatives. A Life Income of \$150, \$100, or \$50 a month guaranteed by the Union Central of Cincinnati—with its Ninety Three Million Dollars assets, will make her welcome wherever she goes! Let me tell you what this will cost, and how it's done. It's natural to put this off—but don't you do it! Next week may be too late!

### FINISHING MAPS OF VALLEY FARMS

Reclamation Service to Complete Map Making Campaign in Month—Will Build Road Along Canals. It is expected by the reclamation service that within the next 30 days the field work of making the maps of the farm units through the lower Mesilla valley will be completed, and the maps sent to Washington for reproduction. The maps will then be ready for distribution. During the past season the reclamation men have been surveying the proposed high line canals with the location of prospective power dams. When the canals are completed, it is proposed to construct a road on one bank of each of the main canals so that the ditch may at all times be under the observation of the canal riders, who will thus be able to immediately locate and stop any leaks and bank cutting.

### DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, diarrhea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine with our druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." ### Weddings

Jefferson J. Glazes and Miss Robie J. Arand were married on Thursday afternoon at 4 o'clock at the home of father P. C. Roy, father Roy officiating. The ring ceremony was used. Henry J. Glazes attended his brother as best man, and Miss Margaret Redmond was maid of honor. The bride wore a blue sailor suit with hat to match, and carried white bride's roses. The maid of honor wore a broad blue dress with white collar and cuffs. The bride from Boston, Mass., having lived in El Paso two years. Immediately after the ceremony wedding dinner was enjoyed at Hotel Sheldon. The bride and groom will be at home to their friends at 1229 Myrtle avenue.

It is not my wish to decry them. On the contrary, I wish every man were more gallant. But lasting happiness has no more to do with them than it has to do with the suit of clothes the bridegroom wore to the altar. That he was a paragon of fashion on that great day, doesn't mean the fuel of love in the years to come.

"Otherwise he is passable." My dear girl, if that means all it implies that he is steady, honest, of good principle, intelligent and kind, industrious and true, accept him the first time he offers his heart and hand.

Love has a way, all unconsciously to him, of making the rudest of his sex the most graceful. Out of this man's love for you will develop every little courtesy his manners now lack.

That is, if you do not nag him about his shortcomings, trusting this work of transformation to the grace-developing power of love.

The New Zeigler will keep up the reputation of the old with a few extra frills thrown in gratis.—Advertisement.
